### **KOLPING OCCUPATIONAL AND VOCATIONAL APOSTOLATE (KOVA)**

Catholic Kolping Society New York has a project directed to supporting young people who would like to explore a trade. College is only one path and it is sometimes difficult to know where to begin to explore other options. Father Kolping worked as a shoemaker before becoming a priest and he thoroughly understood the challenges and satisfactions of being a craftsman. When he opened his first Kolping House it was to support young people as they moved away from their childhood homes to work in trades and become independent.

A KOVA grant is a one-time payment to help encourage an employer to take the extra time and energy of investing in training the next generation. Applications are considered on a rolling basis. Persons interested in KOVA (employer or trainee) should email kolpingny@gmail.com. Inquiries will be forwarded to the KOVA committee for consideration.

### **OUR HOLY FATHER'S FEBRUARY 2022 INTENTION**

#### **UNIVERSAL INTENTION: VIOLENCE AGAINST WOMEN**

We pray for women who are victims of violence, that they may be protected by society  
and have their sufferings considered and heeded.

### LENTEN PROJECT 2022

Do you want to make a difference in the world? Can you find \$1 to share with a Kolping brother or sister? Kolping's Lenten Project this year is again designed to help some of our Kolping brothers and sisters rise from poverty to self-sufficiency by providing them with goats and the training to care for the animals and use them to help feed their family and provide a small income. If each of us in NY Kolping gives \$1, we could provide two families with goats. If each of us gives \$10, we'd be helping 20 families take a step forward. And if we could each give \$1 for every day in Lent, or \$40 each, that would impact 80 families! Kolping International is coordinating this project with Kolping in Kenya. Please send your gift today—see how big of a difference we can make when we come together.

### "I'M NOT GETTING KOLPING EMAILS!"

## KOLPING ON HUDSON UPDATE

The KOH operating crew and full committee both met in January to attend to the numerous issues involved in running our beautiful home on the Hudson River. The good news is that we have a wonderful group of talented individuals bringing their skills and resources to the table—and they're volunteering again for 2022.

Gerhard and Alex Schmitt, Al Vogl and Tracie Truncellito, Jen and Mike Scheuermann, Kathy and Mike Weinborg and Joan and Ted Dengler serve as the steering committee or operating crew. Our KOH committee is filled out with Natasha and Peter Bruegger, Lou Colletti, Arty Kessler, Frank Kurcz, Carol and Dennis Noll, Peter Sedlmaier, Chuck Smith, Mia Steigerwald, Chris Ulrich and John Weigand. An even larger circle of key volunteers keep our retreat beautiful, clean and safe.

Thanks to the generosity of this team, we've been able to keep prices low while facing inevitable cost increases. 2022 will have some cost increases after two years of no change, so you'll spend a little more for a dip in the pool, a meal or a drink, a summer rental and so on. You'll still see a great value for any dollar spent with Kolping.

Improvements in the works right now include new windows for the bar, repairs to some rooves and, as always, painting! We expect to have a few new features in place this year. Watch the bulletin for details.

## KOLPING MEMBERS CAN SUPPORT CHILDREN'S CANCER RESEARCH

Hello Kolping Society members, my name is Stephen Lovasz, I'm a long-time member and staple at the Kolping on Hudson property.

I am raising money for children's cancer research through the St. Baldrick's Foundation. I started doing this back in 2014 when the daughter of a childhood friend was diagnosed with cancer at age two. My feelings are that kids should be kids, scraping their knees and getting dirty, not in isolation, dealing with cancer treatments. So to get involved I raise money by shaving my head in solidarity with those kids that lose their hair from treatment. I'll grow my hair, I'll shave my head, all I ask is you make a donation to the link below. It's an important cause and I hope you will join me in this fight. Thank you for your time and hopefully your help.

# BOYSCOUT TROOP 36

## JANUARY 2022 UPDATE *Submitted by Bob Hemsing*

December and early January have kept the Scouts very busy with a variety of activities and events.

First, The Troop set up the Nativity at St. Christopher's as they do each year and it looked spectacular!

On the December 8th weekend, the Troop participated in a campout at Alpine in New Jersey where exploration included coming across a castle.

We also had two senior scouts earn the rank of Eagle!!! This is the highest rank attainable in Boy Scouts of America and comes with the completion of two projects that benefit our community, helped by their fellow scouts and parents!

This time around, the first project entailed the creation and construction of a storybook pathway at the Hendrick Hudson Free Public Library on Kings Ferry Road. The project involved the planning and placement of a pathway lined with posts with each showing a stage of a story which children can follow as they make their way around the path. The public unveiling took place at the library in December. The second project involved the construction of a shed for Hendrick Hudson High School for storage of athletic equipment. The project was designed from scratch with the base and shed put together by the scouts with the assistance of some parents. Both projects will serve our community well!!!

Last but certainly not least: WELCOME Girl Scout Troop 5036 Montrose! The paperwork was submitted and the approvals came the next day with their first meeting held on Wednesday January 12th! There will be quite a bit of planning and working together side by side with the boys over the next several months in getting the new troop up and running! The troop consists of six brand new scouts, Scoutmaster and Assistant Scoutmaster who are working with the Adult Leaders of Troop 36. We will share resources at the Committee level as well.
