Spring Cleanup

JOIN YOUR KOLPING FRIENDS

Mark your calendar for April 2-3, our first of four scheduled cleanup weekends at KOH (weather permitting)! Every one of us—big and small—has talents to offer. Projects will range from gardening and raking the grounds to sweeping out the dust and cobwebs to washing windows so our Hudson views are perfect to preparing our kitchen for the delicious meals to come.

This year's cleanup dates are: April 2-3, April 9-10, April 23-24, Apr 30-May 1 with maybe a bonus day on May 7. We'll work together for a few hours with all of our individual contributions making a big impact. In advance, please let the KOH committee know what days you can come so we can have the right tools ready to make the most of your generous gift of time. Email KOHManager95@gmail.com

And if you find yourself unexpectedly available, come on by even without an RSVP. Our Society only functions when all of our members share their time and talent. Which days will you be working with us?

MISSION STATEMENT: *We, the members of the Catholic Kolping Society of America, extend the vision of our founder, Blessed Adolph Kolping, by promoting the development of the individual and family; we foster a sense of belonging and friendship through our program of spiritual, educational, charitable and social activities.*

SPRING IS IN THE AIR AT KOC!

Submitted by Kelly Moeller-Manager

Our delicious St. Patrick's Day meal was prepared by our amazing kitchen staff and enjoyed by 67 residents. A huge thank you to my entire crew at KOC for making our home so special for our residents.

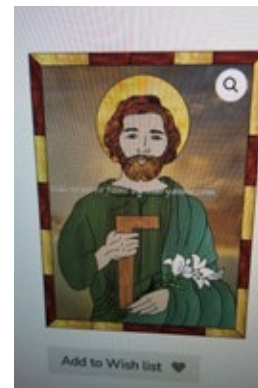

ST. JOSEPH'S DAY AND ONE OF OUR YOUNGEST MEMBERS - JOSEPH HERMAN

St. Joseph's Day is very important to the Catholic Kolping Society. St. Joseph is the Patron Saint of Workers in addition to being the man entrusted alongside the Blessed Mother to raise the child Jesus to adulthood.

One of our youngest members, Joseph Herman is named for this holy saint. Each year, his parents Liz and Rob provide a special gift for Joseph's classmates to commemorate the day. This year, they gave the children this St. Joseph medal, and one to the Pastor of St. Mel's, Father Joseph Fonti (especially since, it is also his name day!). Buon Onomastico! (Italian for Happy Name day!)

THE CATHOLIC KOLPING SOCIETY IN THE WORLD

Russia's invasion of Ukraine has shocked and saddened us. Many Kolping members joined in with the Holy Father on March 25th as he led a Consecration of Ukraine and Russia to the Immaculate Heart of Mary in an effort to bring peace to our world. Did you know that the Catholic Kolping Society has families in Ukraine? The Society has worked there for nearly ten years assisting young people in finding work, improving education and supporting the development of young families. Right now Kolping Poland and Kolping Romania are welcoming some of the three million+ people who have been forced to flee Ukraine seeking safety. Kolping Families in Germany, Hungary, Lithuania and Slovakia have organized shipments of supplies to aid the refugees. Kolping Families (like Kolping New York!) are organizing fundraisers to provide essential supplies and services to our sisters and brothers who are in such great need right now. To participate, you can mail your check payable to Catholic Kolping Society New York. The Board will accumulate the funds and quickly forward one payment up through International Kolping so we can have maximum and immediate impact. If you and your family can help, please send your gift now. Please pray for peace in the world and an end to the violence and suffering.

You can view the latest updates that International Kolping receives on this webpage:

KOLPING SKI TRIP

The Kolping Family Ski Trip was a roaring success this year with 55 participants! Skiers, boarders, hot-tubbers and folks just along for the gemütlichkeit enjoyed their time together at Mount Snow and the Mountaineer.

BOYSCOUT TROOP 36

MARCH 2022 UPDATE *Submitted by Bob Hemsing*

Pinewood Derby at St. Christophers parish hall Sunday March 13

Over the past few months, Troop 36/5036 has had a great deal of new and exciting experiences.

First, I would like to welcome the addition of troop 5036 and how very excited we are to have them!

Scouts had a great first campout at Camp Yaw Paw in Mahwah, New Jersey the weekend of March 19th. We had an amazing time on a 11 mile, 1000 foot elevation hike and slept well in nice cabins! I think our first lesson as a troop was to never go on a hike without a map!

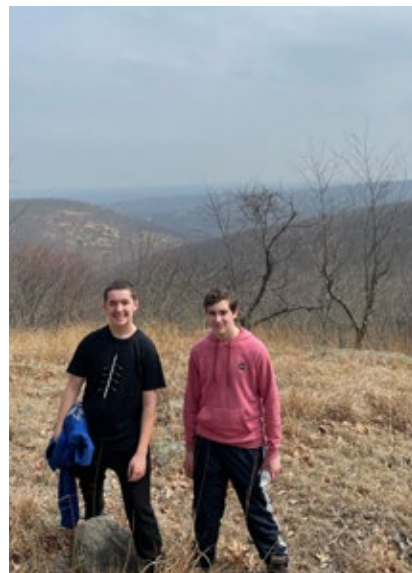

Troop 5036 was excited to find salamanders and frogs and had a great meal of chicken and ramen! Unfortunately, the smores had to wait a day due to a late night storm, but that didn't stop the girls from having a nice evening fire! Troop 36 had a great dinner of shepherd's pie and a great breakfast of pancakes, which Luca cooked toward the earning of his cooking merit badge!

Along with the campout, the new scouts are starting to learn and achieve requirements for ranks, such as knot tying, internet safety and learning how to properly wash dishes while on a campout!

On April 2nd, our next eagle scout Aiden Wong, is presenting his eagle scout project at Furnace Woods elementary school. His project is an enlarged version of a chess board that is built into the playground of Furnace Woods, and he is having a chess tournament to preston it!

We look forward to helping clean and prepare Kolping on Hudson for the upcoming season at our annual spring cleanup during the weekend of april 23-24th! As always, we are excited to camp on the beautiful grounds of Kolping on Hudson after a hard day's work!

KOLPING GENERAL MEETING 2022 / MINUTES

submitted by Alex Schmitt

The **MINUTES** of the Annual General Meeting of the Catholic Kolping Society of New York held at 165 East 88th Street, New York, NY on March 6, 2022

Board Members present: Father Bretone, Peter Carruthers, Lucille Colletti, Katrina Dengler, Ted Dengler, Frank Kurcz, Al Sartorius, Jr., Alex Schmitt, Gerhard Schmitt, Chuck Smith, Mia Steigerwald, Tracie Truncellito, and Tom Waitkins

President Gerhard Schmitt opened the meeting at 12:20 and Chuck Smith offered the invocation.

Acceptance of the minutes: a motion was made and seconded to dispense with the reading of the minutes of the 2021 General Meeting. Additionally, Lu made a motion to accept the minutes, Joan seconded, and the motion carried.

Elections: Gerhard explained the election process. Lou presided over the elections. There were 3 open positions for the Senior Board and 2 open positions for the Junior Board. The candidates present spoke about their qualifications and why they would like to serve on the board. Katrina spoke on behalf of Richard Brunhuber, who was not present, and for Peter Carruthers, who was delayed. No nominations from the floor were made. Gerhard made a motion to close the nominations, Katrina seconded and motion carried. The following candidates were voted in:

Senior Board: Peter Carruthers, Chuck Smith and Al Sartorius, Jr.

Junior Board: Natasha Borodin and Alfred Vogl

The meeting continued with the financial reports given by Ted Dengler.

KOH: income went down in 2020 compared to 2019 because of COVID. (Such was the case in all the houses.) As a result also expenses were down. However, there were generous donations given. In 2021 income went up compared to 2020. At the end there was a surplus because payroll went down significantly and many people volunteered to manage the facility and events.

KOC: in 2020 income went down compared to 2019 and expenses went down also. In 2021 income went down again, but expenses went up resulting in a loss.

K88: income went down significantly in 2020 compared to 2019. The expenses were higher than the income. Surpluses from past years were used. PPP loans were sought in 2020 and in 2021. This was explained by Katrina. In 2021 income went up slightly, but expenses went down. Katrina made a motion to accept the financials, Tracie seconded, and motion carried.

House Reports:

K88 given by Kathleen, the new office manager. Occupancy is at 67%. This year marks the second year of having a womens' floor. The room rents will increase April

1st. There are more applications coming in for rooms. Gerhard mentioned there have been room renovations done in-house and that the roof needs to be replaced. As per local law 11-3 façade inspections must now be done with scaffolding involved.

KOC given by Kelly, the new manager. The building celebrated its 100th Anniversary on February 24th. Susan Devin was the benefactor of the building constructed for single young working women and run by the Sisters of Mercy. A special mass was said by the priest and the kitchen prepared a special meal for the residents. In 1980 the building was purchased by the Kolping Society. Kelly has been working there since October 2021 and implemented many new initiatives. She writes a weekly newsletter to keep the residents informed. New security cameras have been installed. She works with the cooks to improve the meals and also save on purchasing. There is a new meals to go program. Every first Saturday of the month is a special brunch. As a result of COVID a few residents have rent arrears. Rental assistance programs have been applied for. KOC has already received funds to help reduce the arrears. Currently there are 10 vacant rooms. Kelly is working with Kathleen to, hopefully, accommodate Aramark interns from Europe during the summer. The bathrooms are getting repainted. Faucet aerators have been replaced. A significant decrease in water usage has been observed. The roof needs repairs because there is a leak. Internet service is being provided only by Verizon now. Room rents and parking lot rents have been increased in January. The employees now use time sheets and schedules and vacations are better coordinated. An employee handbook is being generated with Gail. Finally, she requested from the Board funding for a replacement gazebo to commemorate the building's 100th anniversary. Katrina mentioned George Paris, former manager of KOC, passed away in November.

Break for lunch. Father Bretone says Grace at 1:26. Meeting resumed at 2:17

KOH: given by Ted. As a result of the former manager retiring a group of members has stepped up volunteering to manage KOH in 2021 and again in 2022. The pandemic has prompted generous donations, which have been used to make improvements on the property.

President's Report given by Gerhard. He thanked everyone present for attending the meeting, the house staff for setting up the room and preparing the meal, the volunteer bar tenders and servers, and the Board of Directors for running the Society. Mention was made of upcoming events at KOH: clean ups starting in April,

Mother's Day, Memorial Day, Father's Day, 4th of July, Tropical Night, Clam Bake, and Oktoberfest. The National Convention will take place the week-end after Labor Day this year. Gerhard thanked members for making donations to the Advent Project, which will benefit the parish where Father Bretone has been named Pastor. The Society applied for PPP loans with much help from the accountant, Dave Grote. Mr. Grote was also instrumental in the application for a new insurance policy for the Society. K88 having lost a tenant, the Coding Space, is considering a lease with a cell phone company to rent the roof for their tower to help increase revenue. The ski trip is next week and is sold out.

Vice President's report given by Katrina. Kolping International is working to fundraise to help Kolping families in close proximity to the Ukraine situation. There is already a Lenten project underway, the goats in Kenya. Karen Staub has again donated Subway Series baseball tickets, which will be raffled off and she has offered that the proceeds be directed to Kolping International to help the refugees in need.

KOVA report given by Gerhard. In the years 2020-2021 5 KOVA grants were awarded to small businesses.

Treasurer's Report given by Peter. He started by mentioning that Germany has opened its doors to Syrian and Afghani refugees in the past and now Ukrainian refugees. Peter's church is wiring donations to a church in southern Ukraine for humanitarian needs. The markets have been doing well in the last few years. Returns in the last couple of years were approximately 14%. The market went down in the beginning of 2022. All the portfolios are professionally managed.

Corresponding Secretary's Report given by Peter. He has penned a letter to Cardinal Dolan inviting him to Montrose on the day he is visiting a local parish.

Membership report given by Joan. 2020 brought a pause in new member initiations. In 2021 30 new people were inducted yielding 36 honorary and exempt, 199 family (298 adults), 102 individual, 12 student, and 3 Holy Trinity members. 60 members were unpaid in 2021. We will have new inductees on Mother's Day and Father's day. Katrina made a motion to increase dues in 2023 as follows: Individual to \$95, Family to \$130, Students remain at \$40, Application fees to remain the same. Tracie seconded, and motion carried.

National Report given by Lou. The Lenten project will be fundraising to help families in Kenya to purchase goats. This has been very successful and the families are grateful as this has made a difference in

their lives. Lou recommended every family contribute \$1/day to "Mite boxes". The Father Kolping prayer will be published in the next Kolping Bulletin for everyone to recite repeatedly in the hopes of Fr. Kolping becoming a saint. The National Convention will be held September 9-11 in Cincinnati. There is a National Scholarship program for 2022. Awards will go to 7 college or trade school students and 4 high school students.

UN report given by Frank Kurcz. Frank thanked John Reitter for his guidance and for his and Howard Jaeger's service at the UN. In February there was a General Meeting discussing post COVID recovery phase. An emergency meeting was held for the Ukraine crisis. Many refugees have been entering countries such as Poland and Romania.

Radio report given by Katrina. WKBR broadcasts "Relevant Radio", which is out of Highland Falls, Wisconsin. Our Donation paid for replacement equipment that was damaged by a summer storm. The license was renewed. A radio meeting needs to take place to discuss "music licensing".

Scholarship report given by Katrina. The March bulletin announces the Sartorius Scholarship.

New business report given by Gerhard and Karen Staub. He reiterated the cell phone tower lease at K88. Karen Staub mentioned there will be meetings for the Steuben Day Parade and she has no information yet. She donated Subway Series tickets, the game will be Tuesday July 26th. The raffle proceeds will be given to help Kolping branches affected by the Ukraine crisis.

Praeses report given by Father Bretone. Father gave thanks for the Advent Project donations and for being the Kolping Society's Praeses for 22 years. He is witnessing one generation after another taking over and running things. We must teach the younger generation about family community and about giving our time and our love to others. This could help keep organizations alive. Over the years the center of membership activity has shifted from NYC to Montrose, this is where new members come in and keep the society growing and continuing its mission. Father retired from the Brooklyn Diocese for only 2 weeks, but then became the Pastor of a parish in Yulan, in upstate New York near his retreat. Better to be vital and not idle. We need to pray that Father Kolping finally becomes a saint.

At 3:50 Gerhard made a motion to adjourn with prayers, Katrina seconded. We recited the Father Kolping prayer, Hail Mary, The Our Father, and Glory Be.
