Mission Statement: We, the members of the Catholic Kolping Society of America, extend the vision of our founder, Blessed Adolph Kolping, by promoting the development of the individual and family; we foster a sense of belonging and friendship through our program of spiritual, educational, charitable and social activities.

Kolping 88th St.
2020 Challenges

Our flagship Kolping House—at 165 East 88th Street—has been operating for over 100 years! We have seen both hard times and good times and we have come through them because good people collaborate and work to make Father Kolping’s principles and vision a reality in modern times.

Our building is set up for many uses. There are several floors of dormitory-style small bedrooms with shared bathroom on each floor; Ballroom that is used for our Society Masses and celebrations; First floor with Dining Room, Library, NY office and National Kolping Society office and archives; Lower levels with kitchen, storage, staff rooms (and reportedly a bowling alley).

Prior to March, we had over 80 men in residence at 88th Street. Our guests are predominantly foreign students and young professionals from abroad who are working internships in the NYC area. When the Ballroom was not in use for our Society functions it was rented out to a small school teaching computer coding to children in the neighborhood.

Currently, there are very few people traveling to the U.S. and the coding school is not operating in person. Our finances have taken a tremendous hit. Our talented Board of Directors has worked tirelessly to develop new sources of income, cut costs and make use of U.S. government programs set up to support small businesses in 2020.

In preparation for more Board work brainstorming and piloting new programs to keep our Society afloat, we are asking each Kolping member to pray for inspiration and guidance for our family. Please also take a moment to think of new procedures or ideas that could be implemented and grow our revenue or decrease our expenses. Please email your ideas to kolpingny@gmail.com. These will be compiled and reviewed at the board meetings going forward. Thank you for your continued support and participation in our Catholic Kolping Society.
Milestones & Passages

Everyone could use the power of prayer now and again. If you or anyone you know is in need of prayer, please let us know and we will be happy to include them within the “in our prayers” list. Please contact Joan Smyth Dengler (914-432-2535) or email kolpingny@gmail.com when you know of a member who is ill, in the hospital, or has passed away. We want to be sure to remember them.

We are saddened to let you know that Rita Berge passed away on August 22nd after a short illness. She is survived by her husband Bob and beloved nieces and nephews. Rita spent lots of happy times with many of our Kolping members and she will be sorely missed. Kolping-on-Hudson played a big part in her life, she and her husband Bob met at Kolping-on-Hudson back in the ‘70s. They lived in Yorkville, just around the corner from the Kolping House and have been parishioners of St. Joseph’s. Please keep Rita and Bob and all their family and friends in your prayers during this difficult time.

We thank you very much
• Jennifer Scheuermann for your gift to our Society.
• Julie DiLoreto for your gift to help the gardens at KOH look even more beautiful.
• John and Diane Gilhooley for your donation to Kolping on Hudson.
• John and June Noonan for your generous gift in memory of Inge Schmitt.

MEMBERSHIP CORNER
If you or someone you know have any questions regarding sponsoring a new member, checking the status of an existing application, application process, dues, membership status, or questions about the Society as a whole, please contact membership@kolpingny.org

Due to the capacity constraints that we have in place right now, we are pausing the process of interviewing and inducting new members to the Kolping Society. It’s been a challenge to serve our members in the way to which they’ve been accustomed. We’re concerned that adding additional members in these months might lead to a decline in the level of service and experience that all expect.

So, if you have sponsored someone for membership, please know that we will revisit the applications in the Fall with the goal of having inductions at the St. Nikolaus Party in December or at Mothers Day 2021.

UPDATE ON OUR KOH DINING ROOM REBUILD AND RENOVATION

Alfred Vogl and Mike Scheuermann’s team of volunteers has made breathtaking progress on the Dining Room at Kolping on Hudson. THE BLESSED MOTHER IS WATCHING OVER US

We have many inspirational statues, windows and symbols at all of our Kolping properties. Did you know there is a chapel at Kolping-on-Concourse? The building was originally a convent and the Sisters created a beautiful chapel that is still in use today.

Kolping Member Eric Weltner (son of Christine and Casey; grandson of Heide Bruegger) captured this beautiful image at Kolping-on-Hudson during Labor Day Weekend. It's a good reminder that we are not alone and it is important for us to rely on our Heavenly Father and the Blessed Mother in everything we do. Thank you Eric!
The work on the dining room at Kolping on Hudson has been a massive undertaking and our volunteer crew worked through all sorts of weather. On one of the hotter, sunnier days, they rigged up this array of umbrellas to keep a little bit cooler while the work moved forward. Thank you friends!
SAFETY GUIDELINES

1 – Physical Distancing
Maintaining 6 feet of distance between ourselves and others helps us fight transmission of disease.

2 – Protective Equipment
Face Masks stop the spread —when with people outside of our immediate household and closer than 6 feet, we should wear facemasks so that we reduce the risk of transmitting germs to others.

3 – Process
Screening – employees will be screened each day they work.
Contact tracing – we will maintain a log of members and staff on the premises each day.
Disinfection of common surfaces – extensive cleaning and sanitizing procedures have been layered on top of our already-strong safety systems.

PROCEDURES – Check-in, Members Only, Outdoors only

Entry Procedures
Members are asked to check in upon arrival. After you park, please look for the sign-in desk. We are piloting an easy three step process: Come up with your masks on, Names in our Visitor Log, Sanitize Hands, Have Temperature Taken. We will adjust the procedures as needed.

Bar
All Seating will be OUTDOORS only. Bar transactions will be conducted through window onto patio. Beverages will be available for sale through a window to the bar area.
