## Mother's Day

May 13, 2018

Please join us at Kolping on Hudson for our annual Dinner and Mass in honor of all our mothers.

Chef Kathy Weinborg is putting the finishing touches on a delicious meal starting with a prosciutto and melon first course, followed by roast beef, special potatoes and chef's veggies. There will be an exquisitely decadent dessert and coffee or tea. (Plus, there's a kids meal alternative for the little ones if that makes Mom's life easier.)

We'll have two seatings – the first at 12 noon sharp, the second at 2pm. Our Praeses, Father Richard Breton will be celebrating Mass at 3:30pm up in Assmuth Hall. After Mass, we will process to the upper shrine and crown Mary with a fresh new floral wreath.

Dinner tickets are \$20 per person and \$10 for children. Non-members are \$22 per person. This is a very popular event so please make your reservations right away. Contact Heidi Umland to reserve. ([heidiumland@verizon.net](mailto:heidiumland@verizon.net) or 914-36-0117)

### KOLPING ON HUDSON FOOD DRIVE

Our annual Food Drive officially kicks off on Mothers Day and continues through the season. Our donations will go to local food pantries and soup kitchens like the Montrose VA, Graymoor and the Franciscan Sisters. Please bring your gift of nonperishable food items. Pasta, canned soup, canned veggies, tuna, chili, peanut butter and coffee and tea are good options. Thank you for your generosity to our hungry neighbors. As Father Kolping said, "The needs of the times will teach you what to do."

**MISSION STATEMENT:** We, the members of the Catholic Kolping Society of America, extend the vision of our founder, Blessed Adolph Kolping, by promoting the development of the individual and family; we foster a sense of belonging and friendship through our program of spiritual, educational, charitable and social activities.

# More News & Notes

## KOH news submitted by Richie Povilonis & Lou Colletti; photos submitted by: Frank Kurcz

Many Kolping members & guests have asked the question, why does the pond have all that green stuff on top? Richie Povilonis has tried to keep the Filamentous Algae otherwise known as Moss Algae down. Richie has tried different ways but it still comes back. So he needed to obtain the DEC Permit for Grass Carp Fish. Thanks to John Allen for getting the DEC Application. After receiving the permit. Richie & Frank Kurcz went upstate to a fish hatchery. They purchased 5 Grass Carp Fish. They are now in the pond. We thank Frank Kurcz for his help.

Also here's a photo showing how close the downed tree came to the Station of the Cross. No damage to the Station. God & Father Kolping are watching over KOH!

---

Our KOH Cleanups thus far have certainly had a variety of weather. We thought there might be snow at the first one! But we treasure whatever weather God sends our way—we warm up in the Library at lunchtime if need be or we sunbathe on the patio for our break on other days. The Gemutlichkeit makes it all worthwhile.

Thank you to the dozens of Kolping Members and friends who have made time in their busy schedules this Spring to spend a few hours with us.

Because of all these great gifts of time and talent, we are almost ready for the season opening. There are only a few special projects to complete. If you'd like to help out, please give Heidi a call and see if there's a task that meets your available time and skill.

## **CLEANUP WORK** *submitted by Peggy Dougall*

Well 7 of Bavarian Club Edelweiss members who are also Kolping members put in some 4 hours of time today (weekend of April 21-22). The day was glorious weatherwise. Helmut sharpened the kitchen knives. The other 6: Jeff and Terry Bernert, Charlie Ruppmann, Gloria McSweeney, Dave and Peggy Dougall worked at raking, weeding and leaf blowing. Richie was a great help in dumping the barrels and barrels of leaves and weeds.

# *Stories of Interest*

## **“The Rapido River Cross-Over”** submitted by Martin A. Kelly

On January 24, 1944 during WWII when the fighting in Italy had slowed to a snail's pace, Lieutenant General Mark Clark decided to plan a diversionary action. He would send his Allied troops across the Rapido River, hoping to trick the Germans holding the area around strategic Monte Casino and Anzio into thinking that the river crossings were the real attack points.

Each of those attempts made by the Allies was a failed attack resulting in a miserable loss of Allied life. Over half of the 4,000 Americans employed in the Crossings were killed or wounded, while the Germans suffered 64 deaths and 179 wounded. Henceforth, General Clark was known as “Mark the Butcher”.

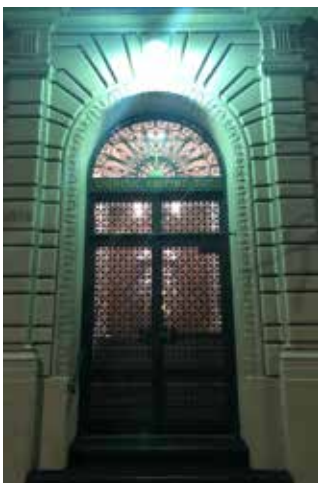

*Part of the Battle of Monte Cassino, Italian Campaign: American soldiers bring back wounded during the attempt to span the Gari river near Cassino, Italy, January 1944.*

But there is another side of the story. Commanders of both sides saw that there was a waste of Allied life, so they both agreed on a two hour truce in which the scattered U.S. corpses could be retrieved and any injured who were overlooked could be given aid.

Troops on both sides of this operation were disarmed, and in the break they got to know each other better. The exchanged chatter displayed pictures of their families. They even exchanged cigarettes and “K. Rations. All too soon, the two hour truce had ended and the soldiers resumed the “hate-filled” enemies the propagandists had shaped them into.

# Kolping Members Receive BSA Award

## Kolping Member Boy Scouts receive Ad Altare Dei emblem from Cardinal Dolan

*The Scout Law: A Scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean and Reverent.*

On Scout Sunday (4/22), three of our Kolping Family members were awarded the Ad Altare Dei ("to the altar of God") Emblem by Cardinal Dolan in a beautiful ceremony during the 2pm Mass at St. Patrick's Cathedral.

Joey and Mitch Considine and Teddy Dengler spent much of the Fall of 2017 studying the seven sacraments and participating in a retreat at the Salesian National Shrine in Stony Point.

On Scout Sunday their efforts to grow their Reverence, a critical point in Scout Law, was honored and their families were made even more proud of their boys.
